

Mari-san
and
Aoi-chan

Simply shy
around
strangers

there are
a lot of
miscon-
ceptions
about Aoi...

Because
she rarely
speaks and
the way
she looks,

"Yeah, she's
so shy and
awkward"

Aoi-senpai
is so cool!

Really
shy!

She's just
observing
a slave.

Yeah,

blow

Are you
listening,
Mari-san?

In reality,
she loves
cute things

I'm
listening.

and she
has a
sweet
tooth.

Isn't coffee
just bitter
water?

The Aoi that normally appears cool to everyone around her, is actually very cute.

I won't tell any other person about this. It's my secret.

Then as an apology, drink this?

What are you doing so suddenly!

No way! Black coffee is impossible!

END

I'm glad
I'm a year
older than
you, Aoi.

Well, that
means you're
always ahead
of me... at
club or at
school...

Really?

I'd prefer
if we were
the same
age.

I guess
so...

What the
heck is
that...

For
example...

But thanks
to being your
senpai, I got
to see plenty
of your
cute side.
